about

My name is Katarzyna Zielińska, I'm an illustrator.

Drawing has been in my life for quite a long time,

I'm an architect by profession.

However, it's illustration what has always been

my dream job.

Today I'm trying to fulfill this dream and work in

illustration – I illustrate children's books, work

with publishers and authors.

Apart from book illustrations I create also

greeting cards, patterns, posters and many other

children designs.

I really like drawing by hand, on paper but on

daily basis I work on computer and graphic tablet

and this is how most of my works are created.

Feel free to contact me,

I'm open for cooperation!
